FAQs	
Can I go to any dentist? No. You must go to your Primary Care Dentist (PCD) from the HDC Network and receive care, or be referred for care, from that PCD.	Can my family members choose different dentists? Yes. Your eligible dependents may have a different PCD from the HDC Network.
How does my plan work? The HDC plan covers 100 percent of all eligible preventive and basic services with no maximums or deductibles. The HDC plan also covers a significant amount of charges for all eligible major and specialty dental services. Care must be coordinated through the participating HDC dentist known as your PCD. There is no out-of-network benefit for the HDC plan.	Can I change my primary care dentist? Yes. The auto-assigned PCD may be changed effective the first day of any month by giving Horizon BCBSNJ 15 days' notice. This can be done by calling the customer service phone number on your ID card.
Do I need to choose a PCD? A PCD will be auto-assigned for you based on your home address. It will be the closest participating office to you and can be changed when you receive your ID card.	How do I find a participating dentist? To locate a participating provider, please utilize the doctor finder at horizonblue.com/doctorfinder or by calling 1-800-4-Dental . Simply log in or continue as a guest, select dental, select the Horizon Dental Choice plan, input any location in NJ, select the dentist, specialty or group practice and the results will automatically generate based on the network(s) your plan belongs to.
